Dr. John Gammichia, D.M.D., FAGD

"I love doing Posterior Composites and I love doing them well. I want to remove the stigma that they are hard to do, that you can't get good contact, or you can't make money. I want to teach you all the ways I can save teeth by using composite while teaching you how to have fun doing it."

John Gammichia, DMD, FAGD is a 1995 graduate of the University of Florida College of Dentistry. Since graduation he has been in private practice in Orlando, FL. During his career he has been to over 1500 CE hours but what shaped him into what he is today is the 5 continuums and a special studies course at the LD Pankey Institute. He has published articles in Dental Practice Reports, Dental Economics, Dental Product Shopper and Dental Money Digest.

From 2004-2008 he was on the Communication Council for the AGD. Also, one of the topics that kept coming up, as the next great thing, was social media. In 2008, he became the official blogger for the AGD. The Daily Grind gives him a chance to be in community with other dentists at least two times a week. The blog has been voted one of the top dental blogs with over 1000 readers a week.

When Dr. Gammichia is not being a full time dentist, lecturer and blogger, he is a husband of Hilda, his college sweetheart. An avid gator fan, marathon runner and is also a father of 4.

This meeting will be held at Grasslands Golf & Country Club located at 1600 Grasslands Blvd, Lakeland. Happy Hour begins @ 6 p.m. Dinner will be served at 6:30 p.m. and the meeting will start @ 7 p.m. Please RSVP to Tisha Talbot via email pcdaemail@gmail.com
