Day

The Smile Design

I will discuss how investing time in a couple of well established study clubs has altered the pathway my team takes to create beautiful smiles. I will discuss our system, show sample cases to show it's incredible results, as well as some pearls. Then open for Q & A.

If time permits I'd like to also discuss how we are able to provide orthodontic treatment without the extraction of healthy permanent teeth!

Dr. Abramowitz obtained a Bachelor of Science degree from UCLA and his doctorate of Dental Medicine from the University of Pittsburgh, School of Dental Medicine. He also received a certificate of Advanced Graduate Studies in orthodontics at Jacksonville University, School of Orthodontics. When he's not creating beautiful smiles, he enjoys spending time with his lovely wife, and their two sons.

This meeting will be held at Grasslands Golf & Country Club, 1600 Grasslands Blvd., Lakeland. Dinner will be served @ 6:30 p.m. and the meeting will start @ 7 p.m. Please RSVP to Tisha Talbot via email pcdaemail@gmail.com
