Dr. Michael Hashemian is a board certified and an accomplished Oral & Maxillofacial surgeon whose passion is caring for the people of Tampa Bay.

He attended the University of Florida in Gainesville for his undergraduate education and received his degree in Electrical Engineering in 1990. He went on to earn his Doctorate of Dental Medicine degree at the University of Florida in 1994.

Dr. Hashemian then entered the University of Florida, College of Medicine, and obtained his medical degree in 1997. Dr. Hashemian continued his education to complete his training in general surgery internship and Oral & Maxillofacial surgery residency at the University of Florida, Shands Hospital, in Gainesville. Dr. Hashemian completed a six-year residency program to have a broad training in all different aspects of medicine and surgery.

After his graduation in 2000, Dr. Hashemian entered into private practice in Citrus, Hernando, Pasco and now in Pinellas County. Since then he has attended numerous educational meetings and courses across the country to stay on the cutting edge of the information and topics in his field. He is a founder of Dentofacial Study Club, also hosted many educational courses, and lectured in different topics of oral surgery.

Dr. Hashemian is highly skilled in dental implants, full arch teeth-in-a-day treatment, zygomatic and pterygoid implants, soft and hard tissue grafting, reconstructive & orthognatic surgeries, facial plastic surgeries, office based IV sedation and general anesthesia. He is affiliated with six local hospitals taking calls to provide care for the indigent patients.
